

BA Bush becomes certified run-flat dealer at ALL LOCATIONS!

BA Bush is delighted to announce that the company has been awarded Run-Flat Certification by Bridgestone after completing an extensive training programme in all its depots.

BA Bush full certification provides additional reassurance to you, our customer. We have specialist trained mechanics that are now fully qualified to advise you on the use of run flats for your vehicle. Staff are also fully trained in how to fit run flats, assess damaged tyres and to repair and remount tyres on site.

Please feel free to come in and see us and speak to a trained mechanics on the use of run-flats on your car. We look forward to welcoming you.
