B A Bush & Son are proud to have joined Goodyear's Farm Tyre Specialist Network. As one of the world's leading tyre manufacturers the farmer will receive a quality level of support from Goodyear by joining the AGRI Club:

- Tyre advice & recommendations either in person, by phone or e-mail
- Farm visits
- Test tyres
- Promotional offers
- Newsletter
- Training

A Goodyear logo is displayed on a blue sky background with white clouds. The logo is in yellow and black.

As the Farm Tyre Specialist Network is Goodyear's preferred channel to market their farm tyres to the agricultural sector, you can rest assured that you will receive an unbeatable level of service from B A Bush. We are able to offer the farmer, in conjunction with Goodyear, test tyres & promotional offers as mentioned above, and, with preferential pricing, we are extremely competitive on Goodyear's range of agricultural tyres.

A Goodyear logo is displayed on a blue sky background with white clouds. The logo is in yellow and black.

The Goodyear Farm Tyre Specialist Network and the AGRI Club is the ideal partnership for the tyre dealer and farmer, offering fantastic service which minimises downtime with a quality tyre at an excellent price.

The Goodyear Farm Tyre Specialist Network

News from around Goodyear's Farm Tyre Specialist Network

Jim Minnis has been appointed to cover the whole of Northern Ireland and Republic of Ireland. You can meet Jim at the Irish Ploughing Match on 20th-22nd September where Goodyear will be supporting J. B. Tyres, our dealer covering both Northern & Southern Ireland on the Goodyear Optitrac range.

New member

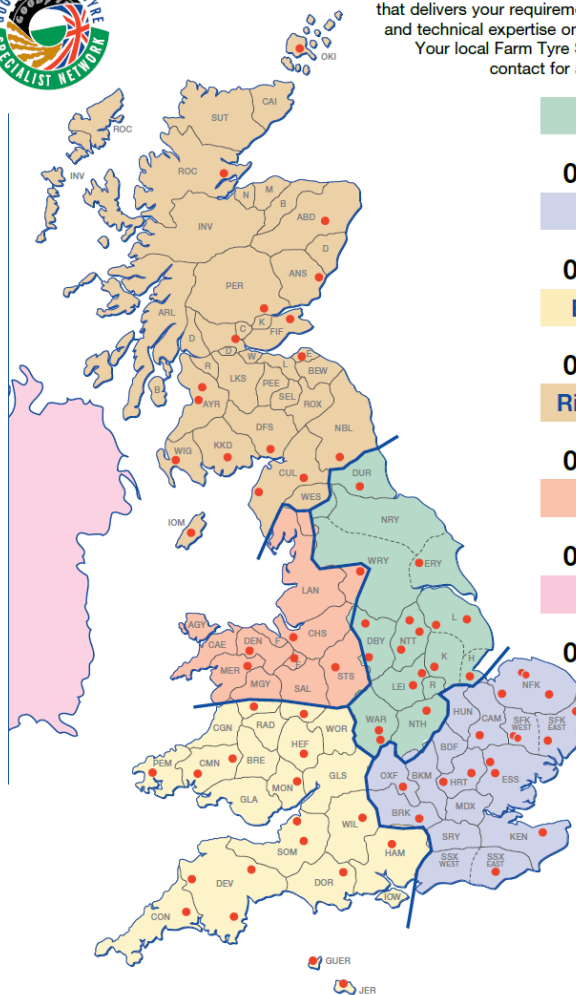

A warm welcome also to Ian Jones of Kington, Herefordshire into the Goodyear Farm Tyre Specialist Network. Brian Eastman said "They will make a great addition to us, providing service to Agriclub members in Herefordshire and Welsh border region.

Richard Hutchins (Key Account Manager Farm Tyres) thanks Richard Seaman Lodge Farm, Suffield, Norfolk for the use of his brand new JCB Loadall fitted with Goodyear IT 520 on the Goodyear stand at the Royal Norfolk Show.

Our aim is to provide farmers with a Service Network that delivers your requirements and provides advice and technical expertise on farm tyres and fitments. Your local Farm Tyre Specialist is your primary contact for all your Goodyear needs.
