

Bush Tyres Terms & Conditions

Wheel Straightening January 2017

These terms & conditions are subject to change.

Please note that all straightening work is done at your own risk.

All prices shown are plus VAT on our price guide and are for wheels supplied without tyres.

All vehicles must be covered by the owners own insurance when left on our premises.

We accept no responsibility for goods left in the vehicle, or for damage, or mechanical failure.

Locking wheel nut keys and OEM toolkits must be provided.

Any costs incurred due to these not being available will be charged to the customer. All wheels are refurbished to the highest standards possible.

While we endeavour to meet the estimated times scales, work can sometimes take longer than anticipated. We are sure you would rather the work was done right than done quickly. We cannot be held responsible for any expenses incurred by the customer if we do not complete the job on time.

Wheels not collected after 1 month will be sold to recoup costs, unless prior arrangements have been made.

We accept all major credit and debit cards. We no longer accept cheques.
