Where: Dutch Square, Springfields Outlet Shopping & Festival Gardens, Spalding

Thrill of F1 to mark new store in Spalding

Tyre retail group BA Bush & Son, with a helping hand from retail partner and sole tyre supplier to this season's F1 championship, Bridgestone, is celebrating the opening of its latest depot with a weekend of events to entertain the whole family.

BA Bush & Son will be showcasing Bridgestone's stunning replica Ferrari F1 car this weekend (3rd and 4th October) at Springfields Outlet Shopping & Festival Gardens. Visitors will be able to have their picture taken next to the F1 car in exchange for a small donation to local charities.

The weekend of events is being held to mark the grand opening of BA Bush & Sons fifteenth store in Spalding. The new depot is located opposite the Springfields Outlet Shopping Centre and has an ultra modern reception area and features all the latest state-of-the-art tyre technology for maintenance and repair.

Springfields is delighted to be working with BA Bush & Son on the opening of its new premises and we are extremely excited to have the F1 Ferrari on display here in Dutch Square over the weekend.
